

Premises which are well-maintained, well-equipped and accessible

Thank God for

- Existing buildings and those who gave in the past so that we could benefit today
- Time given by many individuals to maintain the buildings
- Alda – the churches cleaner
- The existing users of the site

Pray for

- Wisdom as the Deacons create a brief for a transformation consultant
- God's provision for the finances and other resources that will be required
- Vision for the future shape of the buildings and a desire to step out in faith
- A willingness to use the resources that the church has for the benefit of others
- Opportunity to be a Christian witness to the professional trades that will be involved

People who find that the church encourages them to explore their faith and employ their gifts in demonstrating it

Thank God for

- the people that make up His Church
- those who are exploring their gifts in various ways
- the time given by many different people each week
- the diversity of the people that are involved in NBC
- all the young children who are in Chattabox

Pray for

- those who need to be encouraged to explore gifts
- opportunity to disciple and train as a community
- the future possibilities of employing another team member – wisdom in creating a job description, finances and resources, and preparing a suitable candidate
- the existing Deacons and those who will consider standing in November
- a willingness to explore an internship and understanding in how that may work

Programme which provides both spiritual nourishment and opportunity to grow through mistakes and successes

Thank God for

- The hope of the Gospel that is the purpose behind everything we do
- The many different groups and activities that already meet
- The opportunity to build relationships through Small Groups

Pray for

- The time spent looking at Prayer during @TEN to challenge and encourage
- Richard and the Deacons as they prepare a future preaching programme
- Links between activities to bring people into church life (especially for Giggles and Wiggles and First Thursday)
- Development of Community Conversations and a deeper understanding of NBC's role
