

Dear Friends,

Happy New Year! I hope you had a great Christmas and that 2018 will be one of peace and fruitfulness for you and your family. We had a brilliant Christmas and loved having all the family with us with 13 of us sitting down for the main family meal and 11 staying overnight!

CAVERSHAM IS SETTLED! At an excellent Church Members' Meeting on December 17th a new minister was called to Caversham Baptist Church. The vote was overwhelming (97%) and the church is really excited about the call. The minister in question hasn't yet told his own church so I will tell you his name in due course. We hope that he will be inducted in April. I am already talking to another church about the possibility of helping them after Easter.

TORCH C.E.O. – I really do need your help! Torch is a wonderful Christian organization and the appointment of a new Chief Executive is crucial for the charity. We need a strong Christian leader who is sensitive to the needs of people with sight loss. We don't necessarily need someone who has any previous experience or expertise with people with sight loss. Please pray about possible candidates and let me know if you have any names to suggest. Closing date for applications is the end of January.

THANK YOU SO MUCH – More than 400 people receive this prayer diary and I cannot say how grateful I continue to be for the support that you give me. My many-sided ministry is an incredible privilege but I would hate to contemplate going about my daily work without the knowledge of your support and prayers. As ever, please feel free to unsubscribe at any time if you are overloaded with prayer requests, and also be sure that I love to hear your news when you have a moment. I love the idea of this relationship being two way.

May the Lord continue to encourage and strengthen you throughout this New Year.

Yours ever,

Jonathan
