

Dear Friends

I do hope you are thriving. We're all fit and well. We enjoyed a splendid time at Spring Harvest last month. We stayed in their new accommodation and it was superb – a four bed roomed house with a massive kitchendiner cum lounge overlooking a lake. So very different from previous experiences! This was C's first visit to Spring Harvest and she loved it. We found the teaching on prayer very engaging and encouraging.

FOSTERING – You have been wonderfully faithful at praying for C. I probably get more comments about this than any other aspect of life – and that's much appreciated. The social workers continue to be hugely supportive of us and constantly express their gratitude for all that we do. It really is a great privilege and times of tension and resistance at home are now uncommon. School is also going much better now than it was at the start of the year and we pray that that will continue. Sally, her play therapist, is clearly getting through to her in a remarkable way. Thank you so much for your prayers.

CHURCHES – Eastleigh and Waterlooville Baptist Churches continue to be a challenge and delight! Eastleigh has decided that it is right to appoint a Children's and Families Worker but needed a lot of extra income. At a Pledge Day last month over £3,000 of extra monthly income was pledged – and so they will be going ahead. Please pray for the church as we continue to interview candidates. At Waterlooville we have been massively encouraged by the Thanksgiving Services for children from their Toddlers' Group and we look forward to another this coming Sunday. Please pray for the church as it faces some substantial financial challenges, and as it seeks God's vision for the future.

FAMILY – Please pray for Duncan and Beth as they prepare for their wedding on July 20th. Duncan has settled well into his new way of life in London, and Beth's academic year in Glasgow is just coming to an end. Please pray for them in this exciting and challenging time.

I am so grateful for your prayers and particularly for my travelling. I've had two punctures over the past month (one screw and one sharp-edged pothole!) and am so grateful for the Lord's perfect provision on both occasions. Since entering regional ministry 21 years ago I have clocked up about 30,000 miles a year – and continue to do so. It's a major aspect of life!

Thanks, as ever, for your news. Every month it's a real pleasure to hear some of your news and to be able pray intelligently for you. Keep it coming!

Yours ever,

Jonathan
