

Happy New Year

AN ENCOURAGING RESOLUTION

Dickens. Tolkien. Rowling. Clifton?

When thinking about what to write to kick off 2026, I hit the writer's block that even the greats suffer from. Then it hit me... I know what everyone wants to read about: Budget deficit.

OK, maybe not the most exciting topic! But it is something that has truly demonstrated the encouraging things God is doing here at NBC.

Last year we called the church to step out in faith about increasing giving to reduce the forecast budget deficit. Within 3 months, the church had answered this call, for which we are truly thankful and encouraged.

This experience reminded me how God works through His people to bring hope and encouragement. How does God encourage us and how do we encourage each other as the church family?

God encourages us through his Word. No matter what you are facing, God is with you "Be strong and courageous... for the Lord your God is with you wherever you go" (Jos 1:9).

God encourages us through his Hope. Even when the path isn't clear, God's plan is. "I know the plans I have for you... plans to give you hope and a future." (Jer 29:11).

God encourages us through his Son. Paul says, "I can do all things through Christ who strengthens me." (Phil 4:13). The greatest encouragement is knowing Jesus walks with us, advocates for us, and strengthens us.

So, what does this mean for our Church family?
How can we encourage each other?

Think about the words we use to each other, considering what impact they will have. "Let us consider how we may spur one another on toward love and good deeds... encouraging one another." (Heb 10:24-25).

Pray for each other. Let others know that you are praying for them. Choose different people in the church each day or week to focus on. Prayer connects us to God and to each other.

Celebrate answered prayers and successes. "Rejoice with those who rejoice; mourn with those who mourn." (Rom 12:15). Encouragement is not only about supporting in the hard times, but we are encouraged when prayers are answered.

Encouragement is contagious. Seek someone out, a simple word of appreciation can lift them and support them. It could be a text or a call. Let's make 2026 a year where we reflect Christ's love through the encouragement we give.

NBC in focus: BOB

Something new for the Weekly News this year, where we highlight various groups and ministries across the church, and how you can join in. We start with our men's group, BOB.

It looks like a small group. It sounds like a small group. But according to its members it isn't a small group! It's simply BOB - a fortnightly group for men to come together to share, study and support each other. Accountability is important for the group as they seek to grow as disciples of Jesus. They meet fortnightly on Thursday evenings in church. All men are welcome to join. Speak to Dave A or Nick F if you're interested in coming along.

PRAYERS

Church Family Prayers

On Sunday we launched a new prayer board in church. The congregation were invited to write prayers and attach them to the board. We used some of the prayers of thanksgiving in our service, and below are some of the prayer requests which were written. This will be a regular feature throughout the term. If you have a prayer request or have requested prayer and received an answer to it, please let us know.

We received lots of requests praying for family and friends; for a healthy 2026; for safety and protection; for the children and young people of NBC to grow and develop their faith; that the people in Newbury would come to know Jesus and for us to follow him more closely this year.

The following prayer requests have also been shared:

- For my two grandchildren, as their parents are separating. Pray God's protection over them all.
- That my Nanny's ankle will heal.
- For Benjamin with mock exams coming up, and for all the children starting a new term at school.
- Please help parents to be an example of Jesus to their children. Guide us as a church family and individually to understand your will.
- Pray for the good news of God's Kingdom to be seen more and more in all we do and are.

Prayers for our missionaries

Arthur & Reeta: A recent prayer diary update has been shared. If you would like to be added to this then please speak to the Church Office. A more detailed prayer request will also feature here next week.

Naomi: Pray for Naomi as she prepares to return to the country she will be serving in for the next two years. Pray for her family as they spend the next couple of weeks together. Pray for all the practicalities which still need to be finalised, including a date to travel.

The Mahon family: The Mahon family are currently in the UK visiting a number of their support churches. While they are unable to visit NBC on this occasion, there is an online event taking place tomorrow (Thursday 8th) at 12:30pm, where they will give an update on their work, have a Q&A and a time of prayer. You can register and get access [here](#).

Prayers for our world

Loving God, we bring before you the escalating tensions between the United States and Venezuela.

As military postures harden and rhetoric sharpens, we acknowledge our limited understanding of complex geopolitical forces at work - economic interests, historical grievances, and the suffering of ordinary Venezuelans caught in the middle.

Guard against nationalism that blinds us to the image of God in every person, regardless of which flag they salute. Restrain the hands of those with power to wage war. Give wisdom to leaders on all sides to choose dialogue over destruction.

We confess our tendency to reduce foreign peoples to abstractions. Remind us that Venezuelan families fear for their children just as we do for ours. Break our hearts for what breaks yours.

In a world of competing empires and interests, fix our allegiance firmly on your kingdom - a kingdom that transcends borders and refuses violence.

Through Jesus Christ our Lord and the Prince of Peace. Amen.
